### 1. Summary of Significant Accounting Policies

#### A. Accounting Practices

The financial statements of AccessCare General, Inc. are presented on the basis of accounting practices prescribed or permitted by the Illinois Department of Financial and Professional Regulation Division of Insurance.

The Illinois Department of Financial and Professional Regulation Division of Insurance recognizes only statutory accounting practices prescribed or permitted by the State of Illinois for determining and reporting the financial condition and results of operations of an insurance company. The National Association of Insurance Commissioners' (NAIC) *Accounting Practices and Procedures Manual*, (NAIC SAP) has been adopted as a component of prescribed or permitted practices by the State of Illinois. The Commissioner of Insurance has the right to permit other specific practices that deviate from prescribed practices.

#### B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

#### C. Accounting Policy

Health premiums are earned ratably over the terms of the related insurance and reinsurance contracts or policies. Expenses incurred in connection with acquiring new insurance business, including acquisition costs such as sales commissions, are charged to operations as incurred.
